DEPARTMENT OF DEFENSE (DoD) SPECIAL TOOLING

Encl: (1)  DP(DAR) memo dtd 30 July 1999

Ref: (a) OASN (RD&A) ABM memo dtd 10 Jul 1998

Enclosure (1) is forwarded for your information and immediate implementation, as appropriate. It supersedes the class deviation forwarded by enclosure (2) of reference (a) and provides notification that the subject class deviation is effective immediately. Pursuant to enclosure (1), all DoD contracting activities shall use only the agency screening procedures prescribed in FAR 45.608-3.

This class deviation is approved until FAR Part 45 is revised to include this policy.

MEMORANDUM FOR DIRECTORS OF DEFENSE AGENCIES
DEPUTY FOR ACQUISITION AND BUSINESS MANAGEMENT,
ASN(RD&A)/ABM
DEPUTY ASSISTANT SECRETARY OF THE AIR FORCE
(CONTRACTING), SAF/AQC
DEPUTY ASSISTANT SECRETARY OF THE ARMY (PROCUREMENT)
EXECUTIVE DIRECTOR FOR PROCUREMENT MANAGEMENT (DLSC/DLA)

SUBJECT: Class Deviation-Reutilization Screening for Department of
Defense (DoD) Special Tooling

This class deviation supersedes class deviation number 98-00008
dated June 25, 1998.

Effective immediately, all DoD contracting activities shall use
only the agency screening procedures prescribed in FAR 45.608-3 for
DoD special tooling. The limited screening prescribed in
FAR 45.608-1(b) and 45.608-4 is not required for DoD special tooling.

FAR 45.608-1(b) and 45.608-4 require a 30-day General Services
Administration (GSA) reutilization screening period following a 30-day
agency screening period for excess special tooling. The Acting
Administrator, GSA, has exempted DoD special tooling from the GSA
reutilization screening process; but still requires the 30-day agency
screening prescribed in FAR 45.608-3.

This class deviation is approved until FAR Part 45 is revised to
include this policy.

Eleanor R. Spector
Director, Defense Procurement
